"Have You Ever Seen a Miracle?"

At my former church in Hollister, I taught a Sunday School class for middle school students before the worship service. During one of the classes, a student asked me, "Why doesn't God perform miracles anymore?" I responded that God is doing miracles all the time. God always has and God always will. I then asked her if she'd like to meet someone who has experienced a miracle from God and she said she would. So, I told her that I'd arrange for an introduction.

When we finished the class, we started the worship service and during the time for prayer requests I said, "Some of the young people in the church are wondering if God still does miracles. Have any of you experienced a miracle such as being healed from cancer or a heart attack? Has anyone had their marriage healed? Have any of you seen Jesus in the flesh? Have any of you heard the voice of God? Have any of you had God speak to you in a dream? Have any of you had God change your life? If you have, please stand up." Everyone in the congregation stood up. Then I asked the people in the congregation to tell their stories of God's miracles to the young people of the church.

While I've been away in Djibouti with the US Navy, I have seen and experienced many miracles from God. So, during the Sundays in August, I will tell you my stories of God's miracles. I'm also looking forward to hearing the stories of God's miracles in your lives.

In the telling of these stories, we will strengthen each other's faith in God's miraculous involvement in our lives and in our world. And in so doing, we'll see even more miracles.

Jesus said, "Everything is possible for one who believes." Mark 9:23

In Christ, *David*

Dear church family,

David and I want to thank you for welcoming us back so graciously. We appreciate the thoughtful ways that you prepared the manse for our return. From cleaning to filling the cupboards, refrigerator and freezer with essentials, from lovely art work to sweet smelling soaps in the bathroom, we felt your care.

We are thankful for each gift and for the person who shared it with us. We are happy to be back. And we are excited to see the work of God in each of us and through each of us.

Blessings and love, *David and Cathy*

Children and Youth Ministry Updates

There are so many exciting things happening for the children in our congregation! In July, I had the pleasure of spending a week at Westminster Woods Summer Camp in Occidental, CA, with a handful of our very own students! During the week, we went swimming and hiking and spent time enjoying the great outdoors. I personally counseled a cabin with eight girls, six who belong to First Pres Ukiah, all who went home having heard about the Gospel of Jesus Christ, and God's beautiful and unconditional love!

This experience would not have been possible for many of our students if it weren't for the camperships that FPCU provided for them! Once again, thank you so much for generously helping get our students to camp.

Coming up this month we are hosting Vacation Bible School for our little ones, grades pre-school through 6th. Continued prayer for VBS would be appreciated and be sure to invite any children in your life to this exciting week! Registration can be found online at <https://vbspro.events/p/events/fpcuvbs>. VBS is August 6-10th, 5:30-7:30pm, and dinner will be included.

This summer, we have been hosting Youth Group on Wednesday nights for grades 5-12th from 6 to 7:30pm. Fall programming schedules will be announced shortly, so stay tuned for word on when children and youth activities will resume in the fall. Our Youth Ministry is also in the works of planning some exciting retreats for our students, so prayer for those events as well would be wonderful.

Please pray for all those affected by the fires.

Some of you have asked "What can I do to help?" There are a couple ways:

- Alexis and the youth group are collecting 'thank you' cards to send to the firefighters. You can jump on, too. Give your cards to Alexis and she will get them to the firefighters. Cards really do make a difference in their lives!
- We anticipate the possibility of the need for temporary housing within our congregation. If you have a guest house or rental that may possibly be available during emergencies, please contact the office so we know who we can reach out to in the event of a temporary need.

We will keep you posted in others ways we can help!

Personnel Update:

The Dog Days of summer have begun and all of our personnel readily moves forward with the grace of God to be good shepherds in spreading His word. Pastor David has returned from active military duty to his church home here in Ukiah. We are blessed and appreciative of his safe return. He served our nation and our congregation in many honorable ways. He is an example of what makes America Great! A welcome home potluck is planned for Sunday, August 12th, after worship.

Our new Director of Youth and Family Ministries, Alexis Moore, has been hard at work getting to know the congregation while recruiting help for upcoming events. Please volunteer to help in her success in building our youth ministry.

The night time security position is in the works as I type and should be in place by the distribution of the Presbeat.

Blessings ~ Jerry

A Time of Celebrations – One Complete – Soul Food to Come

A good time was had by all at our farewell potluck for Pastor Daniel, while it did not include green Jell-O with pineapple (Pastor Daniel would classify this as a sin of omission rather than commission) there was an abundance of Tri-Tip and other dishes upon which to feast. Michelle was looking forward to a return visit to Mendocino to use their gift certificate at Chop Chop in

Ukiah as well as riding the Skunk Train. Other gifts from congregation members included Hoyman pottery, a beautiful glass butterfly, and carefully selected bottles of wine. Of course, we all got to see Michelle drape Daniel's stole on him so that he will truly have a piece of Ukiah in his next ministry.

Speaking of food we are glad to have Pastor David (also glad to have Cathy back) back to lavish us with some Soul Food – his first message is July 29th. Oh yeah, we also will have food for the body in the form of a potluck welcoming David and Cathy back. Please bring a dish to share on Sunday, August 12th, after worship.

We were blessed with Pastor Daniel's ministry to us and we look forward to being blessed with Pastor David's weaving into his sermons his experiences in Africa and Cathy sharing her experiences during the past 15 months.

Pastor Daniel sends his greetings to everyone at FPCU... he misses you and prays for you. They also thank you for your prayers for Michelle's healing as well as for his ministry call. Michelle is relaxing at home, while Daniel manages the restaurant. He has had some invitations to preach and has also turned some down. He is as busy as he would like to be... for now! Both are thankful for this time of 'stay-cation' to reconnect as a family and enjoy the rest of the summer.

Dear FPCU,

Thank you for your heartfelt generosity as you choose to bless the work in Nalugazi, Uganda. The Alkare Foundation is blessed to have you come alongside us as we provide funds and spiritual support to these wonderful people. Shelly and Kevin (Mack) have been such a blessing and we give thanks for them and also for your commitment. May God bless you richly. ~ Renee Afman, COO; Alkare Foundation

Thank you to all who helped get the manse ready for David & Cathy's return home: Shelly Mack, Jerry & Nancie Garcia, Francine Selim, Randy & Denise Beckler, Shirley Lewis, Jim & Ann Denham, Roe Sandelin... and all of you who purchased items for the pound party to stock their kitchen. They felt right at home the minute they walked in the door.

School begins on Wednesday, August 29. We are still accepting enrollments for Preschool through Fourth Grade. Please contact Sandy Peters at (707) 485-8778 for more information.
