

Sanctuary Guild

Members of the Sanctuary Guild help to ensure the house we worship in is ready each week for Sunday service. This may include polishing, dusting, window cleaning and set up. The guild consists of at least twelve members with duties shared so that each member would only have to clean up to four weeks per year. Cleaning is conducted on your own schedule provided it is completed prior to Sunday service. Please contact Kitty Sandelin at 462-8077.

Sanctuary Guild Responsibilities:

Sanctuary would be cleaned and ready for Worship Services as directed by the Worship Committee and based on church events. Cleaning supplies are provided, with the purpose of providing general cleaning and set up. Any issues that need to be addressed that do not fall under general cleaning and set up would be noted and communicated to the Worship Committee or Administrative Office.

Duties include:

Weekly:

- Polishing and/or dusting all tables, ledges and piano. Note: Piano wiped with a clean cloth (no polish).

Monthly:

- Polishing/dusting/cleaning all pews.
- First Sunday of every month, unless noted differently by the administration office, the communion table needs to be pushed forward. All other weeks the table should be pushed under the stain glass window

As needed:

- Wash all windows located in the doors leading into or out of the sanctuary.

Lent/Advent:

- Seasonal flowers should be watered and cared for.

Optional:

- Guild member may choose or arrange to display flowers or decorations during their schedule time.
